CAREER SUMMARY

With his astute market knowledge, personable nature, and tremendous overall business acumen, Hayden has quickly become a significant presence in the commercial real estate realm. His considerable success attests to his adroit competency in the representation of property owners, investors, tenants and banks in the acquisition, disposition, and leasing of commercial real estate in the Southern California marketplace. Over the last eighteen years, Hayden has consummated over 1,500 transactions with in an aggregate value over \$625 Million in consideration. Hayden first launched his career in commercial real estate as an intern while attending the University of Southern California (Marshall School of Business). After his first year in the business, he garnered Voit's esteemed company wide Rookie of the Year honors. Hayden has continuously completed over 100 transactions a year and has consistently earned top ten producer accolades in the Anaheim office.
